Transferred from Information Systems at ESPM (one semester, 2023)

Colégio Bandeirantes and **K12 International Academy** São Paulo, Brazil / U.S. (online)
Brazilian and U.S. high school curricula, completed concurrently December 2022
Activities: Student council class representative; peer-education student teacher (Humanities); Canto in Club (musical theater)

SuperGeeks – extracurricular program in Computer Programming, Robotics and Game Design São Paulo, Brazil 2014 – 2019

Leadership & Management Experience

CISV Brasil – national branch of a peace-education nonprofit active in 60+ countries Brazil
National Junior Representative and Board Member (elected) May 2026 – Present
- Lead youth-engagement strategy and governance for 10 local chapters and represent Brazil within CISV International
- Coordinate a national board of 9–25 volunteers and oversee the national youth training event (∼100 participants per year)

Financial Advisor, National Finance Commission June 2024 – Present
- Monitor execution of the R$350K national budget and the fiscal health of 10 chapters, including accounting and audit compliance
- Produce financial analyses that inform board decisions on resource allocation and long-term sustainability

CISV International United Kingdom (Remote)
Training Strategy Specialist, Global Training Committee (11 members) July 2025 – Present
- Co-authored the global Training Policies and Procedures, defining monitoring, evaluation and quality standards for 60+ associations
- Research the rollout of an evaluation framework for training accountability; liaise with the Education & Research Committee

CISV São Paulo São Paulo, Brazil
Educational Programmes Manager August 2022 – Present
- Direct 7 coordinators delivering 250+ training hours per year to 70 participants aged 15–17 across 7 major events
- Increased participation by 150% by redesigning the curriculum and volunteer-engagement systems
- Cut coordinator turnover from 75% to 7% by introducing structured recruitment and a collaborative leadership model
- Designed a competency-based evaluation framework and wrote a training curriculum, both adopted by all 10 Brazilian chapters

Junior Branch Director and Board Member (elected) February 2024 – March 2026
- Scaled youth participation by 400% to 150+ per year and grew the volunteer team from 5 to 12 by restructuring programs
- Built the governance framework from scratch (bylaws, elections, financial procedures); managed a R$18K budget and 3–4 projects
- Represented the chapter at the International Junior Branch Conference (2025) and Americas Regional Training Forum (2024)

Analytical Projects

FGV Projetos V – Itaú Challenge: SME Financial Health (team project) August 2026 – Present
- Diagnose financial health of formal micro and small firms; core hypothesis: cash-flow timing mismatch amplified by the Selic cycle

FGV Projetos IV – U.S. Tariffs and Brazilian Exports (team project) 2026
- Quantified tariff exposure of coffee and Embraer exports (ComexStat data, OLS, robustness tests) across five macro channels

FGV Projetos III – Tax Reform AI Assistant (course finalist) 2025 – 2026
- Built a Python NLP assistant that translates Brazil's tax-reform rules into plain-language guidance for real taxpayer scenarios

Skills & Interests

Technical: Excel, PowerPoint, Python (data analysis, NLP), SQL, Git, LaTeX; built own finance automation (open-finance API)
Languages: Portuguese (native), English (fluent; Cambridge CAE), Spanish (advanced; DELE C1)
